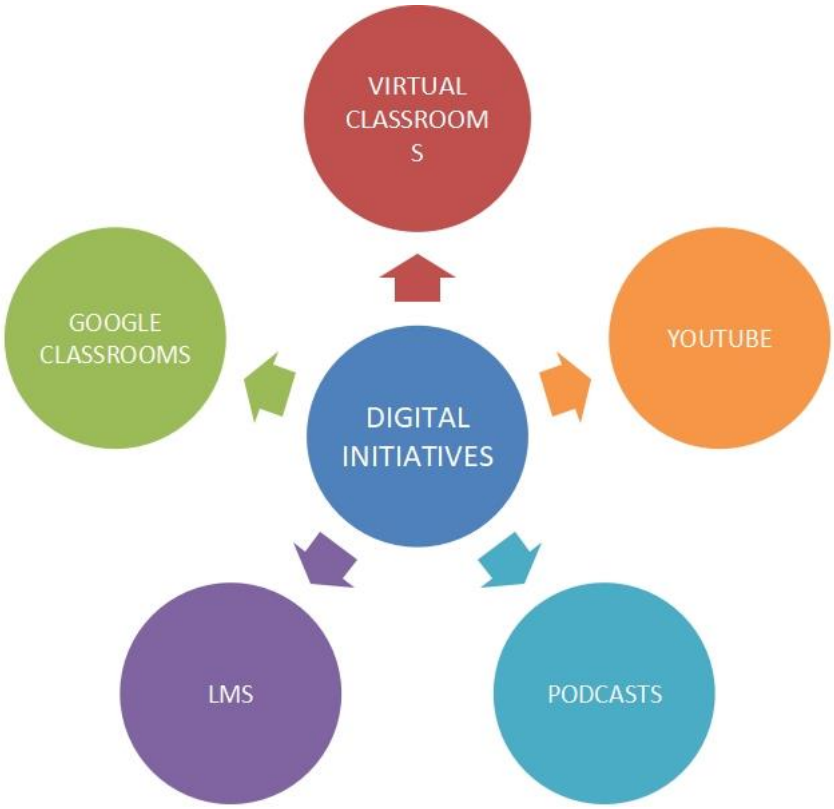
GOVT DEGREE COLLEGE(W) NIDADAVOLE

DEPARTMENT OF ENGLISH

ICT ENABALED TEACHING AND LEARNING 2023-24

The Department follows Information and Communication Technology (ICT) enabled classrooms which makes the learning and teaching process interesting, creative and more inclusive.. ICT would help classrooms to upgrade from old teaching methodology from text books to the e-books and black board to interactive board in electronic mode. Students engage in activities which are designed to provide adequate hands on experience. They transform the teaching and learning processes from being highly teacher-dominated to student-centric.



Use of ICT in Classroom Teaching:

PowerPoint Presentation:

Both the teachers and the students use PowerPoint presentations to conduct classes and seminars. Presentation are made effective by using pictorial illustrations of concepts, flowcharts and animations.

Facility for online learning:

In addition to class room learning, facility has been created to learn through online courses. The students and teachers are encouraged to take online courses provided by SWAYAM

Online Quiz:

Faculties prepare online quiz for students after the completion of each unit with the help of GOOGLE FORMS.

Online competitions:

Project presentations, quiz, Debates, paper presentations etc. are being organized with the help of various Information Communication Tools.

Video Conferencing:

Students are counselled with the help of Zoom / Google meet applications.

LMS (Learning Management System):

The LMS is designed to support the various roles involved in teaching and learning, and facilitates online collaboration and communication among learners and instructors. Providing a centralized platform for delivering and managing educational content, such as course materials, assignments, quizzes, exams and other resources.

Online Classes:

Our live, online, interactive classes are being taught easily through accessible interactive platform through Zoom, Google Meet, Microsoft Team, Google Classroom etc.

Podcasts and Audio Clips:

Free Podcasts are being used in classroom before or after the lecture and discuss the content during the lecture.
