

SVD GDC (W) NIDADAVOLE

E. G. Dt

Department of Arts

 **Organic vegetable, flowers forming** 

‘The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just the body, but the soul.’

SVD GDC [W] Nidadavole Department of Arts Started a small organic garden.

The primary goal of organic vegetable forming is to optimize the health and productivity of interdependent communities of soil life, plants, animals and people.”
